It's a place of strange life forms, mountains of gold, deadly volcanoes, and more than one astonishing secret. Unable to stop him from going, Sean's new stepfather, Hank (Dwayne Johnson), joins the quest. Together with a helicopter pilot (Luis Guzman) and his beautiful, strong-willed daughter (Vanessa Hudgens), they set out to find the island, rescue its lone inhabitant and escape before seismic shockwaves force the island under the sea and bury its treasures forever.

To stage The Greatest Muppet Telethon Ever and raise the \$10 million needed to save the theater, Walter, Mary and Gary help Kermit reunite the Muppets, who have all gone their separate ways: Fozzie now performs with a Reno casino tribute band called the Moopets, Miss Piggy is a plus-size fashion editor at Vogue Paris, Animal is in a Santa Barbara clinic for anger management, and Gonzo is a high-powered plumbing magnate

## SHERLOCK HOLMES: A GAME OF SHADOWS

**M.** 129mins. *Action*  
 Sherlock Holmes (**Robert Downey Jr.**) has always been the smartest man in the room... until now. There is a new criminal mastermind at large—Professor Moriarty (**Jared Harris**)—and not only is he Holmes' intellectual equal, but his capacity for evil, coupled with a complete lack of conscience, may actually give him an advantage over the renowned detective. When the Crown Prince of Austria is found dead, the evidence, as construed by Inspector Lestrade (**Eddie Marsan**), points to suicide. But Sherlock Holmes deduces that the prince has been the victim of murder—a murder that is only one piece of a larger and much more portentous puzzle, designed by Professor Moriarty. The cunning Moriarty is always one step ahead of Holmes as he spins a web of death and destruction—all part of a greater plan that, if he succeeds, will change the course of history.

## WAR HORSE

**M.** 146mins. *Drama*  
 Set against a sweeping canvas of rural England and Europe during the First World War, War Horse begins with the remarkable friendship between a horse named Joey and a young man called Albert, who tames and trains him. When they are forcefully parted, the film follows the extraordinary journey of the horse as he moves through the war, changing and inspiring the lives of all those he meets—British cavalry, German soldiers, and a French farmer and his granddaughter—before the story reaches its emotional climax in the heart of No Man's Land.
